

Wabash Valley Chapter ISPLS September 17, 2008 Meeting Minutes

The Wabash Valley Chapter (WVC) met September 17, 2008 at 6:00p.m. at Cattails Grill in Elwood, IN. There were 8 members and one guest present; Don Wimmer, Lisa Wimmer, Mark Weston, Rick Durham, Larry Manship, John Manship, Patrick Manship, Barrie Bunnell, and Teresa Bunnell (guest). Don called the meeting to order at 6:45p.m.

Old Business:

Membership dues are \$15.00. If you have not paid your dues contact Wyatt.

Trig Star: Rick Durham is working on getting Trig Star set up for 2009. He will contact Diane at ISPLS to see about a new disc that talks about land surveying as an occupation. He will be contacting schools for their participation in the next Trig Star exam. There was much discussion about Trig Star and getting student to participate. We may want to try to go to schools when they have career day and talk to students about surveying.

Scholarships: We reviewed the rough draft of scholarship awards. Suggestions were made to have the student be primarily working toward a degree in Land Surveying, versus Land Surveying or Civil Engineering. The GPA was discussed and it was suggested that we have the GPA to be 2.5 or 2.8 or higher. No other suggestions were made.

New Business:

Don reviewed highlights from the Board of Directors meeting. Discussion followed.

The ISPLS convention will be January 14-16, 2009.

Our next WVC meeting will be November 19, 2008
